Sonic Sprit Night: March 26
PTO General Meeting: April 9
PTO Movie Night: April 23

February

In February, the PTO had a wonderful time bringing our community together. We hosted two Helping Hands sessions where volunteers from the community came out to support our teachers by helping them check items off their to-do lists.

We also held our first Movie Night of 2026, featuring *The Wild Robot*. Families enjoyed the film and had the option to purchase treats from the Repicci's Real Italian Ice & Gelato food truck, which generously donated a percentage of the evening's sales back to the PTO. A big thank you to Navigate Equity and all of our PTO volunteers who helped make these events such a success!

PTO Spirit Store

In March, we're excited to share a big announcement — we have launched a brand new online store featuring Mittelstadt merch! The store offers apparel and spirit wear for the whole family, making it easy to show your school pride.

This project became a reality thanks to Amanda Hodges Stanley, our Spirit Store Coordinator. She did the research and put in the hard work behind the scenes to bring this idea to life. We are so grateful for her dedication and all the effort she put into making this dream a reality!
