The Countdown is on! There are only 2 short weeks before winter break. Its hard to believe that we are almost halfway through the schoolyear! So, as we prepare to go into the break, we will also be looking to two big events coming up in the second half of the year; our annual Glow Run and 5th Grade Appreciation. We need help with planning as well as execution. Please, email glowrunchair@gmail.com if you would like to help with Glow Run, and/or mittelstadtpto@gmail.com to help with FGA.

Friday, December 15th, we will be holding the holiday parties. We will soon be sending out signups for snack donations, as well as one for our approved volunteers to help during the parties. We appreciate you all and could not do all that we do without our wonderful parents and volunteers!

BOARD MEMBER SPOTLIGHT

**Christa Ellis
PTO Treasurer**

Christa and her husband, Rob, have 3 kids at Mittelstadt and love having them attend school where their dad did, 30 years ago! Caroline is in 4th grade, Stanley is in 2nd, and Lauren is in Kindergarten. Christa has been the PTO treasurer for 3 years.

She is so thankful for the great relationships she's developed with other involved parents, as well as our wonderful Mittelstadt administration and teaching staff. She said, "I never saw myself as a PTO mom because I'm not much of a party-planner, but I love that I've been able to make a difference in my own way. It's been such a great experience!"
