Mittelstadt PTO Newsletter

We had a very successful end of the year with our very first Movie Night with over 300 attendees! Thank you to Navigate Equity and our Family Events Committee for making that happen. But that's not all, in December we also kicked off our Helping Hands Program, had a Spirit Night at Pizza Zone, and on the last day we treated our teachers and staff to hot chocolate and celebrated with all of our students at the PTO end of year parties. Thank you to all the PTO members who organized everything and our amazing volunteers who helped us make it all happen!
