

MITTELSTADT PTO NEWSLETTER OCT-2025

INCREASING OUR CAMPUS PRESENCE

Our 2025-2026 Board is passionately trying to increase our presence on campus and grow our membership numbers. Last month we attended the Dual Language Parent Night and debuted our new bilingual poster to reach more parents. We are looking forward to participating at Mittelstadt's Book or Treat event on October 29th

We are also very close to announcing our new FREE family event for this semester. Exciting things await!

WHAT ARE WE WORKING ON?

Sponsorship - Our president, Casey Thompson along with our Sponsorship Coordinator, Sully De Jesus are taking a new approach to fundraising. We have started reaching out to companies and businesses in the area to help us reach our goals and continue to support our teachers, students, and families.

Fundraising - Our Domino's fundriaser is coming to a close. Parents will be asked to turn in paper forms and cash when we return from fall break

Helping Hands - Jennifer Dunn, our Volunteer Coordinator, will be organizing a group of volunteers to help teachers and classrooms twice a month with miscalaneoas tasks such as organizing storage, decorating the classroom, putting together materials for students to use during class and at home etc. More info to come!
